GenoscoPER (Y-1017592-0) is a Finnish research-based company focusing on DNA diagnostics. GenoscoPER warrants its test results to be accurate for the sample obtained from this dog alone, as identified by the information given on this form by the owner. In the event of a valid claim, owner's sole remedy is a refund of the fee paid. In no event shall GenoscoPER be liable for any indirect, consequential or incidental damages of any kind. Any claim must be asserted within a year of the report of the test results. The Client agrees to these conditions by paying the test order.
